

Quick Start Guide

Item: A800007 Rotating Stand for 7.5' Tree by Vickerman Company

1.) Read Safety Instructions prior to assembly.
ONLY USE with 7.5' Artificial Christmas Tree.

2.) Attach legs by sliding them up from the bottom.

3.) Setup tree following the tree manufacturer's instructions, inserting the first section into the stand (C).

4.) Insert cord from tree into main socket on end (B). If tree has more than one cord, distribute them evenly among the 3 sockets located on end (B). Slide open safety covers on plug to use additional sockets.

5.) Attach excess cord from the tree to lower branches of tree using a zip tie (included) making sure no cords hang below the lowest branch.

6.) Plug power cord (A) into an electrical outlet.

7.) Select desired mode
Lights on without Rotation
OFF
Lights on with Rotation

LIMITED WARRANTY ELECTRIC ROTATING STAND FOR 7.5' TREES

Vickerman Company warrants its product against manufacturer-only defects in material or workmanship for a period of 3 years from the date of purchase. Please read this warranty thoroughly and familiarize yourself with its restrictions and requirements.

Should the Electric Rotating Stand fail within this period, Vickerman will, at Vickerman's option, either repair or replace the defective item free of charge. If warranty service is required, return the defective item along with a copy of the dated sales receipt with store name noted (mandatory), UPC Code, address and phone number. If you discard our box, retain the UPC Code tag in the event warranty service is ever required. This limited warranty does not cover damage resulting from accident, misuse, abuse, negligence, or normal wear. Complete the information below and mail to Vickerman Company within thirty (30) days of purchase (or according to local laws).
